Our gymnasts are expected to compete in all meets during the season unless they are injured or not ready. Gymnasts should not plan to compete if it is known that they will miss 3 or more days without practice the week before a meet. If there is a serious family reason or conflict for not competing you need to inform Lazar by email only A.S.A.P.! If you are entered for a meet and you don't compete, you are still responsible for the meet entry fee!
