

Starting this Fall...

# TUMBLING TITANS

SIGN UP  
TODAY!

For Children Ages 4-12

Every child should have the opportunity to discover their inner champion. That is why World Cup Gymnastics has introduced Tumbling Titans. ***Tumbling Titans empowers children with intellectual disabilities to realize the potential of their physical abilities.*** Students get to show their strengths and talents by developing gymnastics skills and learning to use our state-of-the-art gymnastics equipment.

Moreover, they will:

- build social skills and understand their value while learning to interact with other children and adults.
- build self-esteem and confidence through constant praise and encouragement from their coaches, and
- go home with a sense of accomplishment as they conquer each skill.

Most of all, they will understand how fun it is to be a champion.

Meet Our USAG Certified Instructors

*"Thank you to the staff of World Cup Gymnastics for welcoming the students of Devereux NY CARES to their facility! The staff are energetic, enthusiastic and expertly modified the class so that all of our students participated and had fun." - Director*
