Since 1992, World Cup Gymnastics has been serving up Summer Fun to hundreds of campers throughout Westchester County. Our goal is to provide a safe, nurturing environment where children can laugh, play, learn new skills, make new friends and build summer memories that last a

lifetime.

About Our Summer Program

Campers participate in daily physical and creative activities to keep them fit and happy. Each week campers enjoy gymnastics, organized sports and games, arts & crafts, tie-dyeing, food projects, water games and weekly optional field trips. Our age-appropriate programs will be sure to keep your camper smiling all summer long!

World Cup's 18,000 square foot gymnastics complex located in Chappaqua, NY is fully air conditioned and provides ample room for children to take part in stimulating

activities. The property features:

- Fully equipped gymnastics complex with a Tumbler Trak, balance beams, uneven parallel bars, pommel horse, trampolines, foam pits and sports floor.
- Two outdoor playgrounds with sprinklers and water games.
- Large, bright, well-equipped classrooms for festivities and arts & craft activities.

Our Facilities

Each day campers will enjoy exciting gymnastic rotations which include Olympic events in addition to trampoline, Tumbl Trak, rope climbing and foam pits. Beginner to advanced gymnasts will progress at their individual level and will learn skills that will advance them in gymnastics or carry over

to other sports they enjoy throughout the year.

Campers will have fun as they build confidence and self-esteem, develop strong and healthy bodies, improve gross motor skills and learn to set and achieve goals.

The program is combined with a traditional camp experience with weekly activities that include all-sports, karaoke, Olympic challenge, treasure hunts, Ms./Mr. America contests, tie dying and Friday Pizza Parties! Weekly optional outings may include; swimming, theater, arcade, ice skating and more.
